Officials training plan discussed

For teams with a year round official -

“Team Official Trainer” will attend one of two training sessions offered

Tentative dates - May 10 and May 15

“Team Official Trainer” will then train team officials who have at least 2 summers experience

For Teams without a year round official -

Experienced officials can attend league training or the training given by another team

New Officials and those with less than 2 summers experience will attend training offered by the League - Dates in late May-early June to be determined

Insurance

A copy of the team’s insurance should be sent to the league president along with the registration fee

Registration Fee and Roster

Registration Fee and Roster is due to the League Treasurer by June 17, 2011

Roster should be sent to League President and League IT by June 17, 2011

Division IV Pool Problems

Gladetown team does not have a pool this year and may need to fold. Is looking for another pool

Ft. Detrick cannot host meets

Brunswick is the only pool that can host meets. They are willing to allow others to use their pool when they don’t have a meet.

Braddock Heights Pool

Due to lack of pools in Division IV, Braddock has asked if they can host a meet in their 33Meter pool if they have no other option. The league voted that this would be OK this year.

Coaches Meeting

Date to be determined and sent out

IT Meeting

Will be mandatory this year

Date to be determined and sent out
